WORK EXPERIENCE

WEB DEVELOPER, QUANTUMSTACK

Jan 2025 - Continue

- Optimized database solutions and UI/UX, reducing page load time by 15% and improving user satisfaction scores through responsive design and streamlined data handling.
- Implemented robust deployment strategies, ensuring smooth website performance.
- Developed a simple Task Management App with React and Firebase, enabling real-time task updates and improving team collaboration efficiency.
- Built a Personal Finance Tracker using React and Node.js, allowing users to monitor expenses and visualize spending patterns with interactive charts.

WEB DEVELOPER, 92 DEVIS

Aug 2023- Oct 2024

- Developed and maintained responsive web interfaces using HTML, CSS, Bootstrap, and JavaScript (ES6+), ensuring a seamless user experience across different devices.
- Built and consumed REST APIs using Node.js, enabling efficient communication between front-end and back-end systems.

WEB DEVELOPMENT INTERN, MASIA

Mar 2023- July 2023

- Contributed to the development and optimization of web applications using HTML, CSS, JavaScript, and Node.js.
- Collaborated on dynamic UI design, responsive web design, and back-end integration.

PROJECTS

E-COMMERCE WEBSITE:

- Developed and deployed an e-commerce website with dynamic product management and payment gateway integration.

REAL-TIME CHAT APPLICATION:

- Led the creation of a real-time chat application using Node.js and WebSockets for seamless communication.

PORTFOLIO WEBSITE:

- Built a portfolio website showcasing web development projects with responsive design and UI/UX enhancements.
